FAQ's

What is the next step?

Visit our events page at <https://event.openroadgrill.com/> and click on “Inquire Now” under our Open Road Rosslyn location. Fill in your event details and we will get back to you to help you plan your event!

What is your large party “Minimum Spend” Policy?

Given the fluid nature of the restaurant business we try to keep accurate and flexible minimums. Our minimums will reflect anticipated business on the day or night of your event and the space that you are choosing to utilize. Therefore, if you're looking for main dining area on a Saturday during peak hours your minimum would be very high. On the other hand if your party is able to book off peak hours or dates we can be far more flexible with our minimum spend requirements. We always try our best to work with each and every guest and party that walks in the door. We will work to find a solution to any budget and any timeslot we have available to guarantee the best experiences for all.

Do you have “room fees?”

We do not usually have any room fees, rather we have a minimum spend policy. With this arrangement you're only paying for items you receive as long as you reach the minimum quoted for your party. The only time a room fee would be applied is in the event your party fell short of the minimum spend and chose not to order anything more.

Do you offer gluten free (or other allergen) options on your set menus?

Yes! Although we try to set the expectation that even those options are gluten sensitive given the seriousness of Celiac and the fact that we are not a fully gluten free kitchen. Please let us know any dietary restrictions prior to menu selection and we will do our best to accommodate.

FAQ's

Do you have an elevator between the different levels?

Absolutely! We have a large elevator towards the back of the restaurant that is available for all guests.

Do you offer Open Bar packages?

We do not structure open bars in an all you can drink format (Per person/hour), rather we charge based on consumption and will give alerts to the host upon request if they are nearing their budget. To the guests it appears as open bar but for accounting for the host and restaurant it works better.

Do you have audio and video capabilities in the different areas?

We do not offer A/V at this time.

Can we decorate the space?

Depending on the nature of the event guests often inquire about decorations. We are open to outside decorations within reason and just ask that it not interfere with other guests that may be dining in our establishment. We typically try to avoid flashing lights, noise makers or massive balloon arrangements. But, never hesitate to ask and as always we will try to make it work!

Does the minimum spend include tax and gratuity?

All quoted minimums do NOT include tax and gratuity.
